## Letter From the Director

# Experience Camp— Carl's Way!

Mark (Ashley's fiancé) Caleb, Joshua,  
Ashley, Mike and Sherri Landis

The excitement is building as we think about another summer at Camp Carl. This summer promises to be another camp experience of building friendships, facing challenges, and experiencing a God who reaches out His arms in love. It is time to think about camp... Carl's Way.

A classic phrase used by many is "Whatever." Vary the tone of this word and you change meaning in an instant. Should we live our lives with this as our theme? Some would say, "Absolutely not!" If you join us for camp this summer, that idea may be challenged. We are praying that God will work in the lives of young people and cause them to see the love an eternal God has for His people. Will you join with me in praying that camp is an effective tool for God to use in the lives of everyone involved?

Camp Carl will continue to offer a number of different theme camps for all ages. Each one has a unique flavor, while providing a wide variety of activities that are guaranteed to stretch a young person's limits. Look closely at each camp description to determine which one is right for you. This year we'll be working overtime to take the camp experience that so many have come to love to the next level. There are many traditions that are a part of camp. These will remain—with a whole new twist.

This year we unveil a new adventure camp for middle schoolers: The Radical. This is a roughing-it experience, hosted in the back acreage of Camp Carl. It will push limits, exposing campers to a Radical Savior, with primitive experiences likened to what some missionaries may experience in a third-world situation. This camp is under construction as you read this.

Do not forget that during the fall, winter, and spring months many groups utilize the facility at camp for retreats, day events, or even to join in a trail ride and enjoy the beauty of God's creation. We also open an apartment facility for pastors during the week to have a complimentary time away to focus on prayer, planning, or rest. Many schools are also starting to use the facility during the week. Camp Carl is not just for summer!

The summer of 2011 promises to continue your love of camp, Carl's Way. Will you join us?

-Mike Landis, Camp Director

# The Verge

## THEME #1

What happens when you stand on the verge of something big? Your heart starts to beat rapidly; your body jumps in excitement; your face lights up with anticipation. The Verge camp is this experience over and over again. You could be on the verge of gliding down the iceberg, riding a horse for the first time, working your way through a challenge you've never encountered, or really knowing the Creator of the universe. If you are into excitement and enjoy facing new challenges, this is the camp for you. Here are just a few of the activities you will be a part of:

- flying off the lake catapult • horseback riding
- swimming at the pool • riding in the boat
- sloshing through the slopstacle course
- tackling a woods expedition
- and much more!

# Frontier Camp

## THEME #2

If you join us for Frontier camp, you will need to have an attitude of exploration. Do not plan to sit still—couch potatoes should just stay at home. The week's events will center on discovery. You will even travel to locations on camp property that the campers of old have never traveled or seen. If exploration is your passion, then this is the camp for you. As a group we will also explore God's words in the Bible with a freshness like you haven't encountered before. Here are some other fun activities you will be doing:

- exploring the camp frontier • riding in the boat
- trekking through the creek • scaling the Iceberg
- finding the cousins of big tree • taking a hay ride
- riding a horse...solo • swimming at the pool
- and much more!

# Submerge

## THEME #3

How many of you remember the first time you stuck your head under water? Maybe you jumped in the water with confidence or with hesitation as you plugged your nose and slowly descended into the deep (with supervision, of course!). If you have not had your head under water yet, that is ok because we still want you involved. However, you need to know that if you come to this week, you are guaranteed to get wet. Actually, soaked!! If you think water is our only way to complete the submerge process, you are wrong! You will need to be a part of the week to understand what we mean. We will look at the different areas in life where Jesus asks that we are submerged. If you come to this camp, you will experience the following:

- riding in the boat • swimming at the pool
- scaling the Iceberg • building a submarine
- experiencing the great lake adventure
- participating in the creek challenge
- horseback riding
- and much more!

# Children's Camp • Grades 4-6

- *Overnight Camp*
- *Sunday check-in at 5:00pm*
- *Friday check-out / pick-up at 3:00pm*

# Extreme Camp

## THEME #1

This camp will be packed full of challenges and competitions that will stretch your mind, body, and soul. Your skills and courage will be tested with extreme activities. Come and experience it for yourself. You will also be challenged by people who lived the extreme life, having experienced the radical love of God. This camp will not disappoint. Here are a few of the activities you can expect:

- capture the flag • swimming
- archery • horseback riding • blob
- ropes challenge • mission impossible
- Carl's quest • canoeing • boating
- Man vs. Wild challenge

**Boys only! Except...**  
**COED: Week #1, June 12-17**

# Splash Camp

## THEME #2

If you enjoy your stay on dry land, this camp is not for you. This camp promises water every day, all day for swimmers and non-swimmers. Carefully crafted water activities will keep you cool in the heat of the summer. You will also hear of the refreshingly cool love of God. Here are just a few of the activities awaiting you:

- tubing • extreme water sports
- canoe water polo • canoeing • luau
- slipshod slap dash • horseback riding
- creek exploration • Everest challenge
- water trampoline • swimming

**COED all weeks!**

# WILD WEST Camp

## THEME #3

The frontier has disappeared from the land of the fruited plain, and there is no longer a need to worry about your survival. If you choose to take part in this camp, you may experience the "wild west" of the new millennium. Activities will revolve around challenges that rivaled the Old West. In order to provide extra involvement with the horses, you will steer away from the boating activities. While experiencing the wild activities planned during this week, you may more deeply appreciate the accurate accounts of the wild characters of the Bible.

- horsemanship training • trail rides • archery
- canoeing • "The Gold Rush" • rodeo • carnival
- pioneer challenge • wilderness adventures
- swimming • creek exploration • iceberg
- sorry no boats

**Girls only! Except...**  
**COED: Week #5, July 10-15**

**Bonus Activities: Horse riding lesson or sunset trail ride**

# THE EDGE

### THEME #1

This camp is designed for those who aren't afraid to face their fears and to stretch their limits. This camp will keep your heart racing and challenge your psyche. If you want an easy camp, don't even bother with "The Edge." Special challenges will be designed to stretch a person in all areas of life, the spiritual included. So if you're up to a challenge, join us for this camp.

- climbing wall • trail rides • swimming • tubing
- mission impossible • archery • the panel
- the Everest • midnight quest • swimming

### Bonus Activity: Paintball

# H<sub>2</sub>O Camp

## THEME #2

Pack the bathing suits or swim trunks, and grab the sunscreen for this camp. Most of the day will be wet. Boating, tubing, swimming, sliding, water competitions, and other water sports will rule the week's activities. Along with the wet challenges, you will be refreshed by the love of God. Join us for a wild H<sub>2</sub>O camp experience.

# Camp Retro

## THEME #3

If you are one some call "laidback," this may be the camp for you. We tone down the competitive element, but be ready because we will not just be chillin' on the couch. Prepare to be involved in a variety of activities that encourage friendships to blossom. Built into this week will also be reminders of a mighty God who has worked powerfully in the past and who will continue to work powerfully in the present and future.

# High School Teen Camp GRADES 9-12

- Sunday check-in at 5:00pm
- Friday check-out / pick-up at 3:00pm

## THE CRUX

### THEME #1

Life brings challenges that put us to the test. Some thrive on a challenge, and others turn their heads to avoid it. If you like a challenge, then this camp is right for you. This camp will have a strong element of competition, and we encourage you to rally your friends to face this challenge with you. If you are the victor, you will have the bragging rights of a coveted prize. If you have enjoyed Extreme Camp or The Edge, you need to consider The Crux. Your faith in God will be challenged to move across the crux.

- dyno event • paintball • chapel times
- horseback riding • pamper pole
- tubing • iceberg • cat-walk
- midnight trail • swimming

# The Undertow

## THEME #2

On the beaches around the world, safety specialists warn swimmers not to get caught in the undertow. We encourage you to risk getting caught in Carl's version of The Undertow. In the past, you may have been involved with Splash Camp, and although testing the waters of H<sub>2</sub>O camp desires your applause, neither camp will compare to being caught in The Undertow. You will need to bring your competitive spirit laced with good sportsmanship. To make way for more water experiences, the horses will not be offered this week. This camp will offer a group dynamic that will exceed your expectations, so you'll want to bring your friends. You do not want to miss out because your faith in God just might spill over into the rest of your world.

- tubing • tower • climbing the iceberg
- archery • deep water challenge • water polo
- synchro show • luau • chapel times • pool time
- water trampoline • sorry no horses

### Bonus Activity: Ski lesson

✓ An additional cost ✓ Registration coupon ✓ Space is limited

Reigning champs:  
**GRIZZLY**

## THEME #3

Some campers like the basics, and that is fine, but you will not find a basic camp the Carl way. If you are not as competitive, you may want to try Reverb Camp. Far from basic, Reverb offers a similar experience to Retro with a more mature approach. The camp will offer a coffeehouse feel with a glass of iced coffee on tap during The Gathering. We have invited a band (Willet) to join us for the week. Find out more about Willet by clicking their link on our website. The experience will create an environment that will deepen friendships while encouraging your relationship with Jesus Christ.

- tubing on the lake • canoeing
- team-building initiatives • tower
- cat-walk • the gathering • archery
- horseback riding • concert with Willet
- a gourmet cup of coffee: iced or hot

### Bonus Activities: Paintball, horse riding lesson, or sunset trail ride

✓ An additional cost ✓ Registration coupon ✓ Space is limited

# Stepping It Up

Ages 15-18

This summer we hope to transform the SIU camp experience. If you have been involved with the program before, we ask that you give it another look, starting at Step One. The goal of SIU is to take individuals who are seeking God and to equip them with tools that prepare them to impact their world. You can choose to be involved one week, two weeks, or three. The first week will focus on seeking God...refreshing your relationship with Him. Participating in the DIG sessions will allow a safe place to ask the hard questions about God without feeling like a doubting Thomas. The second week you will be given the opportunity to look deeply at your passions, giftedness, and calling. Allow the counselors to walk beside you as you ponder where God wants you to be involved in His work, in His world. Then the third week we want you to act...no standing in your "feel good" environment; you'll be putting together an action plan. How will I serve the God of the universe? Our staff will walk beside you, each step of the way, and of course, many of the traditional Camp Carl challenges and activities will be built into the SIU camp created just for you.

If you choose involvement for all three weeks, they need not be consecutive. You can participate during a week in June and then, if you wish, do another week the end of July. After your three weeks are complete, we are praying that you will leave camp changed, involved in your community, sharing the hope of Jesus Christ. After your three SIU weeks, internships may be available at Camp Carl; for these you must apply.

We hope you will join us for this transformational camp!

## THE RADICAL CAMP

NEW for  
2011

Ever read about the life of Jim Elliot and wonder who will be the next person to reach an untouched group with the message of the gospel? Ever think about the legacy of Billy Graham or see the impact of the ministry of Samaritan's Purse in the back alleys of our world? If these thoughts have filled your mind or you have a desire to impact the world around you, think about joining us for a week, staying in our Outpost area. Experience. . . The Radical. Do not pack the good clothes because this experience

is about sacrifice. You will have a primitive experience, similar in some ways to a Third World country.

You will still enjoy parts of the traditional Camp Carl experience like tubing, the tower, paintball, campfires, and the pool, but your focus will be set on learning about what it means to sacrifice for the cause of Jesus Christ. There may even be an off-site field trip to see firsthand how God is powerfully using people locally. You'll want to join us for this experience.

# The Rapids

Boys Only  
Week #4,  
July 3-8

Girls Only  
Week #6,  
July 17-22

This camp is option number 2 for someone who has been at camp for a number of years and wants the real camp experience. When you arrive at camp, you will transfer your belongings into a duffel bag; no suitcases with wheels! Come prepared with your belongings already packed in your own duffel bag, if you wish. You will be hiking to an area called OUTPOST. During The Rapids, you have the best of both worlds: The Outpost and The H<sub>2</sub>O camp experience. If you sign up for The Rapids, don't worry about paintball as a bonus activity, because it is included in the regular schedule. You will spend most of your time on-site, but will have the opportunity to experience an overnight trip packed with off-site adventure.

The other days will be spent at "The H<sub>2</sub>O" camp, providing interaction with main camp that could change your life. Sign up now for this camp because space is limited.

# Experience Retreat!

• Housing • Support Facilities • Activities • Food Service • Amenities

The question is often asked: what happens at Camp Carl after the summer camp season ends? At camp we like to call this time the Retreat Season. During this time the facility is available to outside guest groups for rental. Many of the summer camp activities are offered to guest groups during their stay. Some of the facilities allow for a small group to provide their own food, preparing meals in a standard kitchen. If you have a large group, we are more than happy to offer our excellent retreat food service, designed to meet your group's needs. A brochure describing the facilities, laying out the activities, and listing the food service offered during the Retreat Season is available online. Visit our website [www.campcarl.org](http://www.campcarl.org) or contact our office 330.315.5665 for a retreat brochure.

Our retreat season stretches from  
September 1—May 14.

During the fall and spring, we also offer trail rides on Saturdays. Our website will list the times available and allow you to sign up online. Enjoy a peaceful trail ride, taking in the beautiful colors of the fall, or shake the dust of the winter blues by enjoying a spring trail ride as the woods begin to turn green.

Camp Carl is not just  
for summer anymore.

# Highlights 2011

## Volunteers

## Adopt a Cabin

Camp is a great place to develop community. Lifetime friendships have been formed at camp after working together for a summer. Our hope is that area community groups would be able to assist our summer camp staff as they minister to the campers. Community groups are defined as any area group with the common purpose of worshiping God, encouraging one another, and serving others. Camp holds three goals for a community group who adopts a cabin: prayer, staff encouragement, and minor cabin maintenance.

Imagine sitting down and writing an encouragement card to three or four staff members, helping them to get through a particularly challenging week. What if you posted the prayer cards of these staff members on your refrigerator, remembering to pray for them throughout the summer? Think about how the bonds in your community group would grow as you cleaned the cabin or yurt in the spring, adding those special touches to help make it ready for summer camp. We hope you consider adopting one of our cabins.

Here is how to get started if you have an interested community group: decide upon a point person for camp to forward needed information about the counselors and to coordinate your group's camp involvement, and then contact us at [adoptacabin@the-chapel.org](mailto:adoptacabin@the-chapel.org). At your request, we can make Adopt-A-Cabin brochures with even more information available to your group.

If you look around camp, you can always find a project that needs completed or a task to tackle. Camp would not be able to function if it were not for the volunteers who sacrifice their time to serve camp. Michelle and Bob weekly make sure the lodge floor is ready for the next group. A host of volunteers, led by our faithful friend Sue, help Jenni in the barn. Ken gives numerous hours, excavating trails and making sure we have wood for our fires. Galen weekly helps us with cleaning around camp, making sure it is ready for the next group. Tom mows weekly in the summer to help us keep up with the grass. Cindy and Phil help all over the camp—wherever we need. Kathy and Dan help with registration and make sure the campers and their luggage get to the right cabin. Dick and Nancy tackle numerous tasks that would cost camp greatly if we needed to hire someone. Brian and Alice faithfully come each summer, working to keep camp in good shape: weeding, serving in the kitchen, and planting shrubs. Youth groups come and rake leaves. Community groups help us out with short-term projects. So many people regularly sacrifice their time so that we can provide an excellent camp experience for people to discover Christ and make a difference in their world.

If you have the time and the interest, would you consider helping in this way? Let us know how you can help. Here are some of our needs:

- Helping in the kitchen on Fridays during the summer
- Barn chores
- Landscaping
- Painting
- Summer camp registration (Sunday afternoons): health checks, sign-in's, handling luggage, and more.
- Raking leaves in the fall
- Cutting and splitting firewood

Thank you for your consideration.

## Open House

For the past few years we have held an open house at Camp Carl prior to the start of summer. This year we would like to step it up a notch. We will open the camp gates on Sunday afternoon, June 5, from 3:00–7:00pm so that all can see what camp has to offer. We will offer tours of the campus, pony rides in the arena, hay rides to the Outpost camp, along with the ability to climb the tower, swim in the pool, jump on inflatables, and play a round of disc golf. Hiking is always an option, or you can just relax and enjoy God's creation.

Food will be available at a minimal cost from 4:00–6:00pm.

We will close the evening with a worship service that starts at 7:00pm. You will be able to meet some of the counselors as we worship together and prepare our hearts for the summer.

Come and join us. Experience camp ...Carl's Way!
